Dr. Jason Lisle

“Astronomy Reveals Creation”

How the Secrets of the Cosmos
Confirm the Bible

Dr. Lisle is an internationally recognized speaker on multiple subjects in Biblical Creation & Creation Apologetics. He obtained his PhD in Astrophysics from University of Colorado, Boulder.

Dr. Lisle specialized in solar astrophysics and has made a number of scientific discoveries regarding the solar photosphere, including the detection of giant cell boundaries using the SOHO spacecraft. He also does theoretical research and has contributed to the field of general relativity. He has written several books on topics related to Biblical Creation — **Understanding Genesis, The Ultimate Proof of Creation, Why Genesis Matters, Taking Back Astronomy, Discerning Truth, Keeping Faith in an Age of Reason & Introduction to Logic**; among many others. He has previously worked at two nationally known Creationist organizations —

Answers in Genesis & Institute for Creation Research.

Dr. Lisle is now active in a new (2017) creation apologetics ministry — **Bible Science Institute** (biblescienceinstitute.com).

This important ministry is located in the Colorado Springs area. He is available to speak to local churches and organizations.

A freewill offering will be taken at this meeting.
