Human & Ape Fossils, Part 3

This 3rd fossil presentation, ape & human fossil evidence, will show how the unique creation of mankind is fully consistent with the available fossil evidence originating from Post-Flood events. This will also demonstrate the incorrect teaching on human origins, proposed within the secular view of ape-to-human evolution.

Rich Cloud is a retired Research Scientist who worked 29 years for Nalco Co./Ecolab & managed a microscopy & materials laboratory. His work involved utilizing various microscopic techniques to analyze solids formation & as primary analyst in non-metals, material science applications (failures & evaluations). He is a co-founder of PPCF and the current chairman of the leadership team.
